Time,

When we were young,

Big doors opened new horizons

Big eyes saw so much, but so little.

We learned and we grew.

Our tiny little hands, reaching

Past the boundaries of innocence

Striving to reach and be reached,

To touch and be touched,

To build our fragile dreams

And to share the memories of the heart,

The memories of life

That will last forever . . .

Debbie,
I've known you now for 4 years strong.
Keep up with the Drama. Who knows
may become a great star - (Debra Winger?)
GOD bless you - my little sister
He'll guide you everywhere.

Time is
Too slow for those who wait,
Too swift for those who fear,
Too long for those who grieve,
Too short for those who rejoice,
But for those who love,
Time is not.

EXCHANGE STUDENTS

Tumwater High School's student body was not only increased by a large freshman class but also by six exchange students from four different countries. Though studying took up a large part of their time, Rieko Nonaka and Izumi Nojiri, two Japanese exchange students managed to fit volleyball into their schedules. The only male exchange student was John Antoniadis, who came from Greece. He was an immense help to the swim team by timing at the meets. Ute Gniewoss and Doris Willer came from Germany. Doris kept up her musical studies by participating in band. From the South American country of Chile came Ximina Islas'. These exchange students helped to add variety to the life of Tumwater High. For many students it was a chance to learn the customs and ways of other people in far away countries.

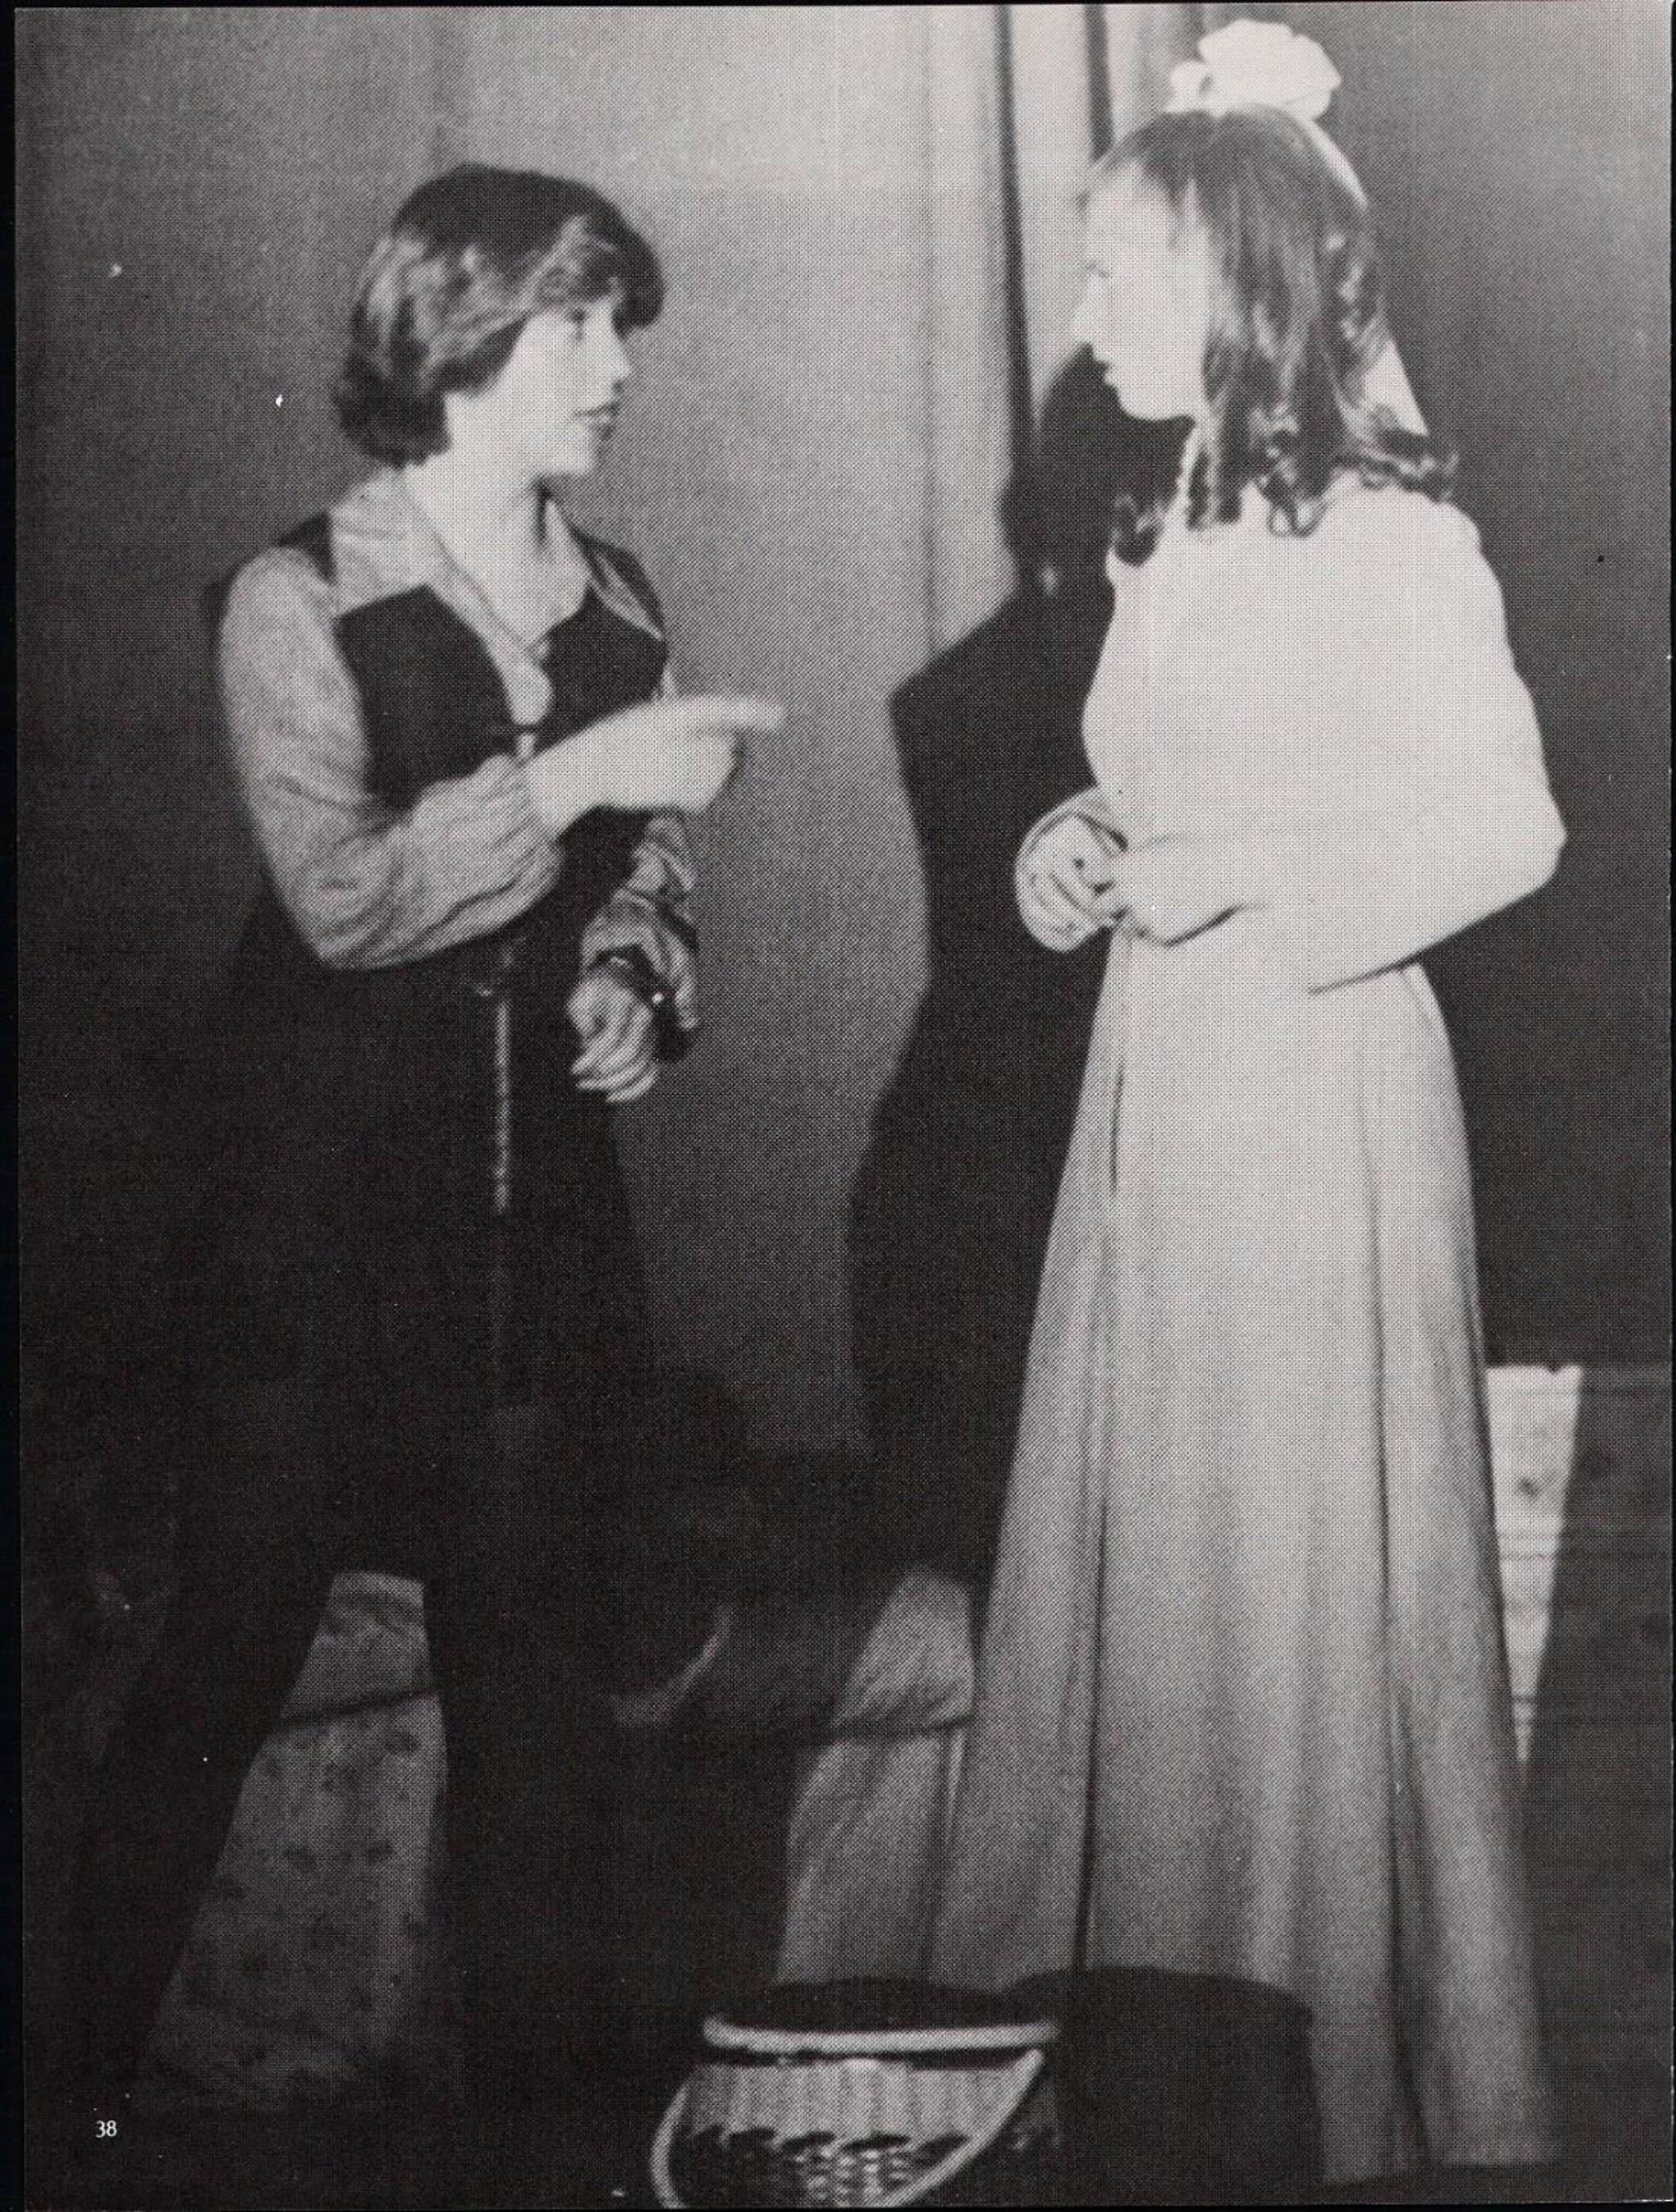
THE UNKNOWN SOLDIER

STORM IN THE DORM



PETER PAN

"Do you believe in fairies? Then clap your hands!" The adventurous tale of Peter Pan was brought to life. Karen TaylorSmith directed the fall play with musical assistance from Dale Martin.

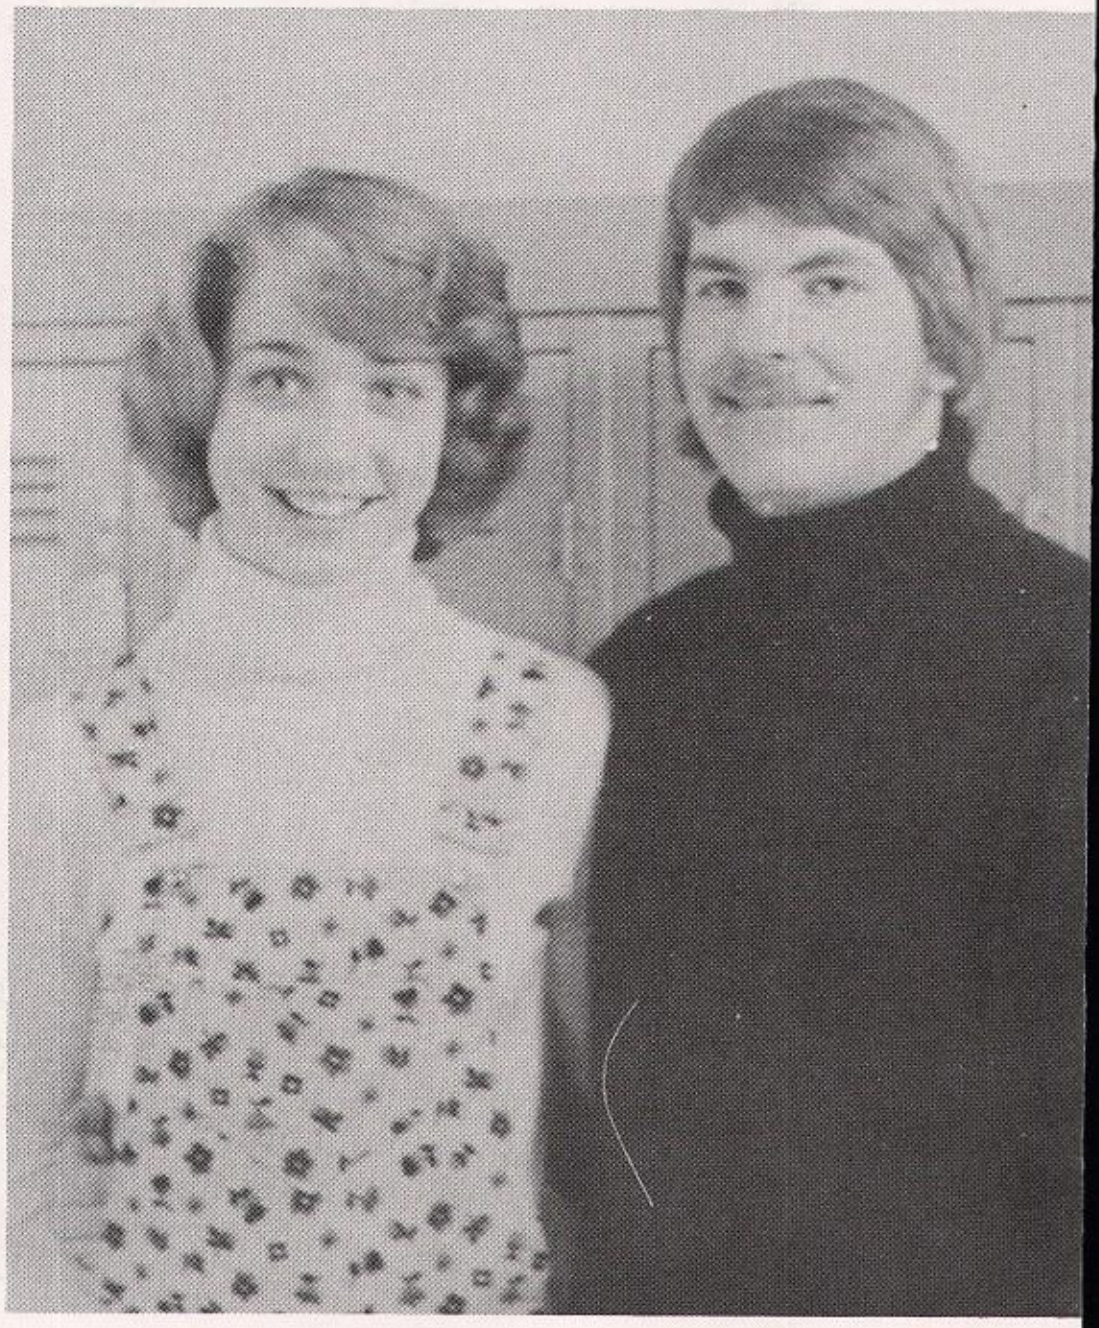
Lori Sunberg portrayed Peter Pan, a little boy who wished to remain a child forever. Vicki Brix portrayed Peter Pan's friend, Wendy.

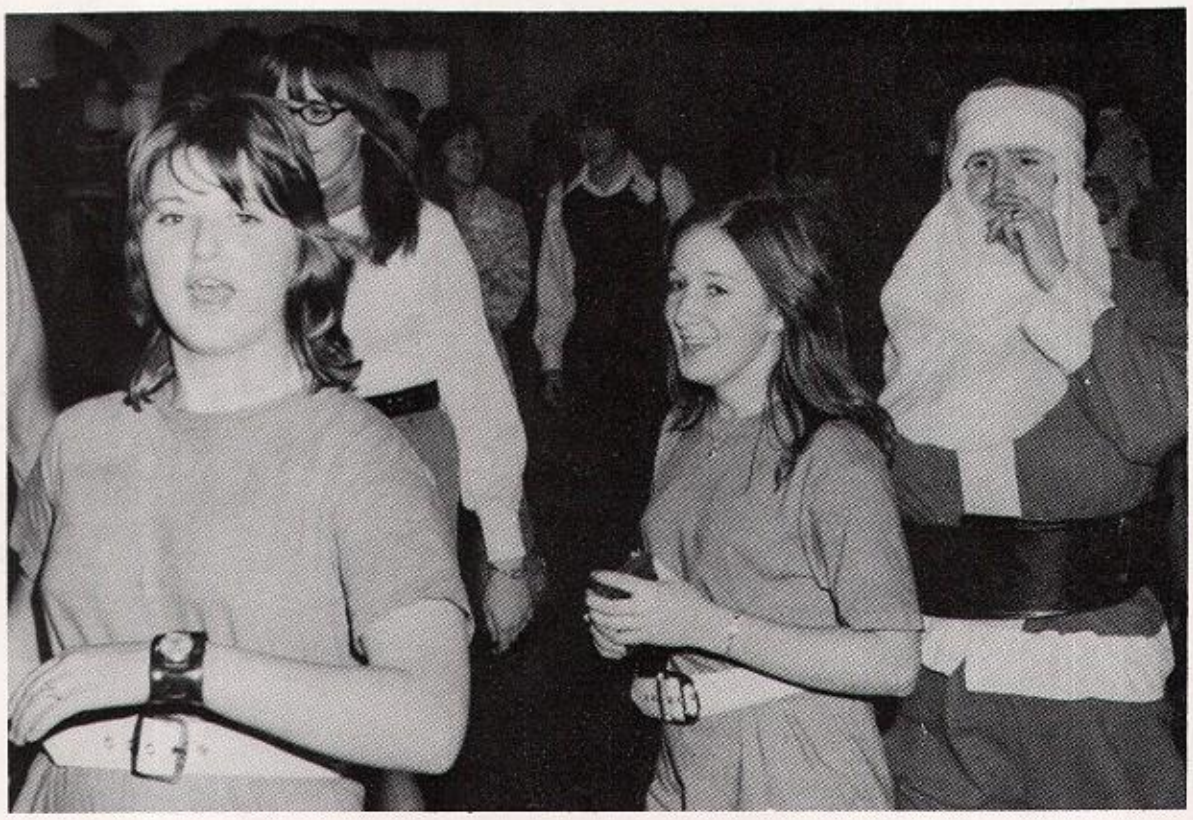
For a short time, Wendy played mother to the "Lost Boys" but Marc Johnson, the sly Captain Hook, had other ideas. Craftily, Captain Hook tried to poison Peter while kidnapping Wendy and her family. Fortunately, the fairy Tinkerbell (Hilary Benson) was wise to the plan and drank the poison before Peter Pan could.

Non-believers became believers as the audience clapped to bring Tinkerbell back to life. Together they foiled Captain Hook's disasterous plan and were able to return everyone home safely.

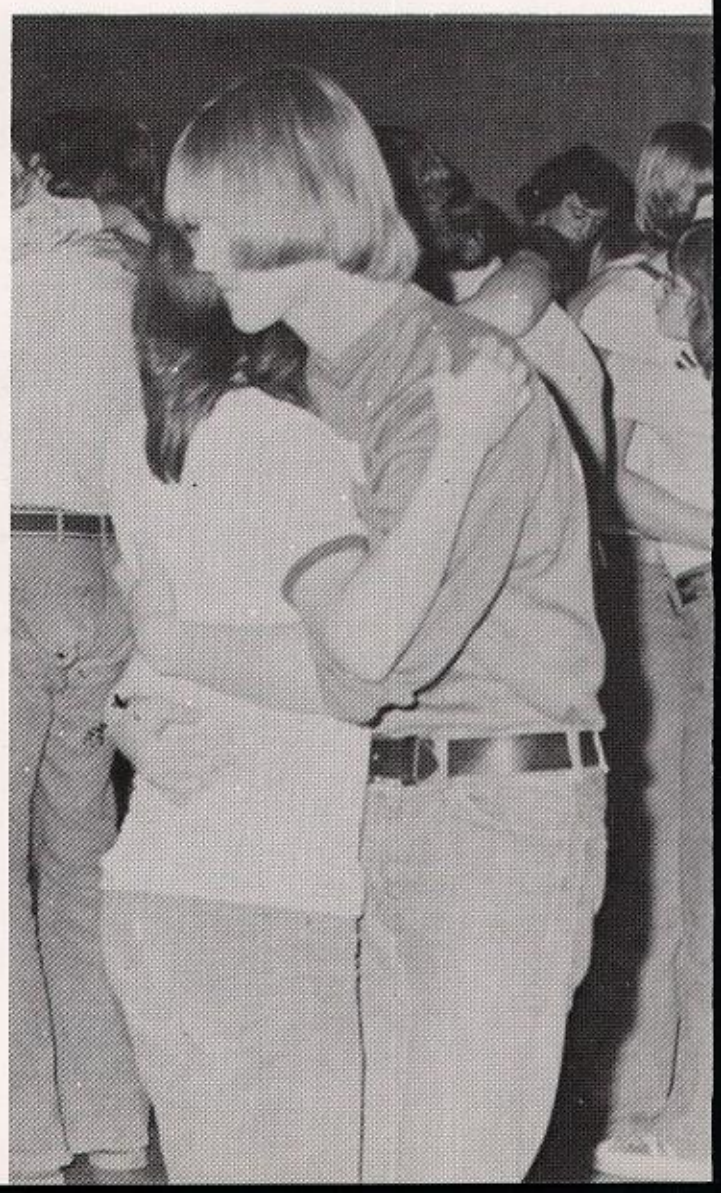
TOLO
1974

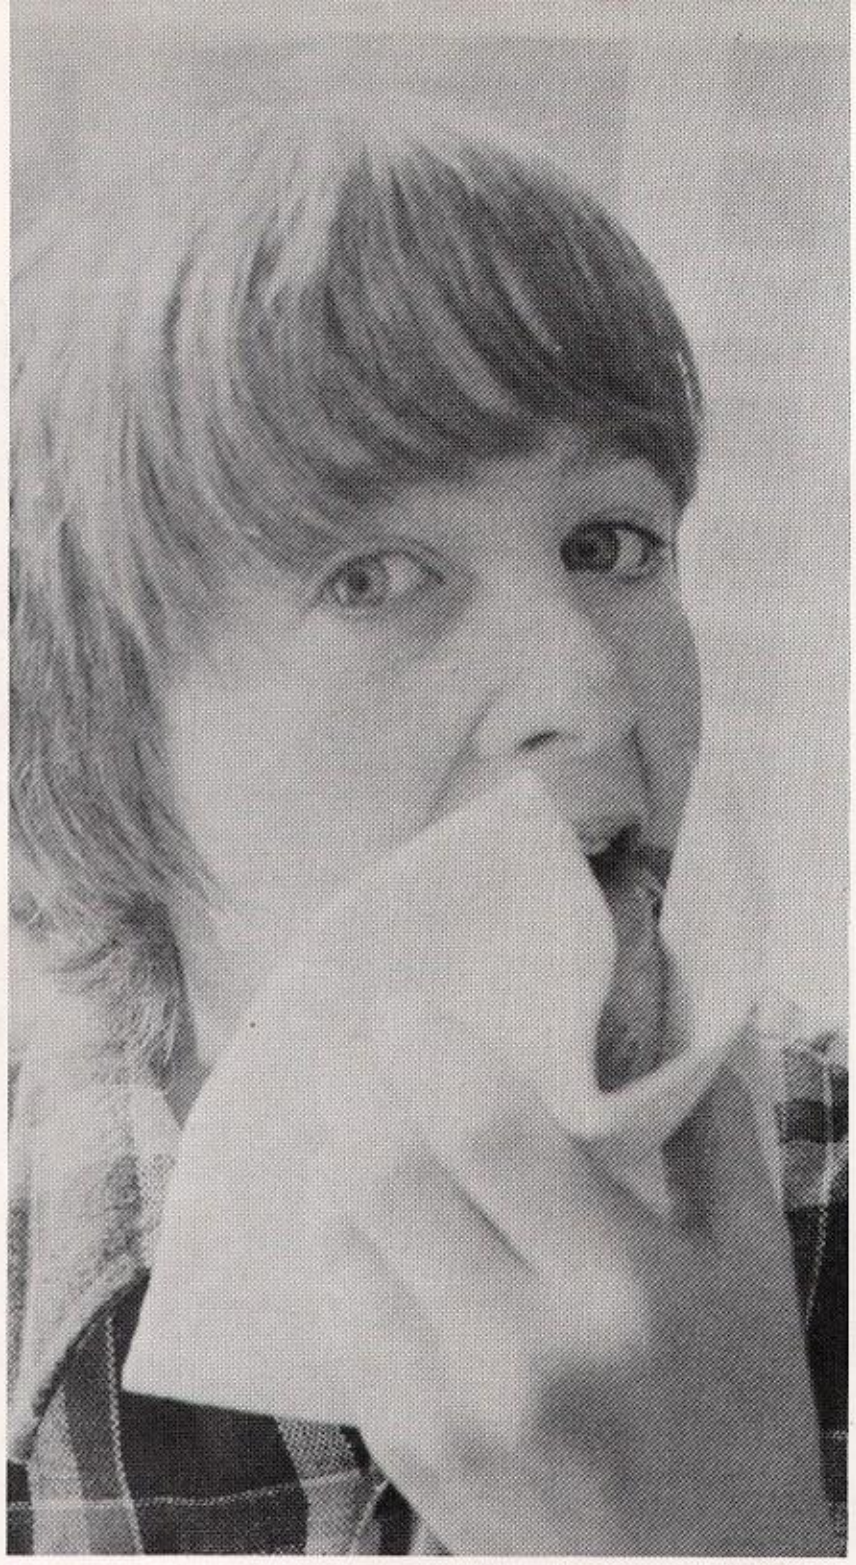
Tolo Royalty, Fred Center and Betsy Eaton





"It's Beginning to Look Alot Like Christmas" proved to be a fitting theme for the 1975 Tolo. Due to the many helpful and imaginative committees headed by Debbie Johnson, Tolo was considered a huge success. Music was provided by "Marilyn". Sophomores, Fred Center and Betsy Eaton reigned over festivities as King and Queen.





Busy days, club meetings, dances. How the times flies! All too soon the last meeting will be adjourned, the last dance will boogie to a close. But what times we have had! And what friends we have gained. Memories shared that will last an eternity.

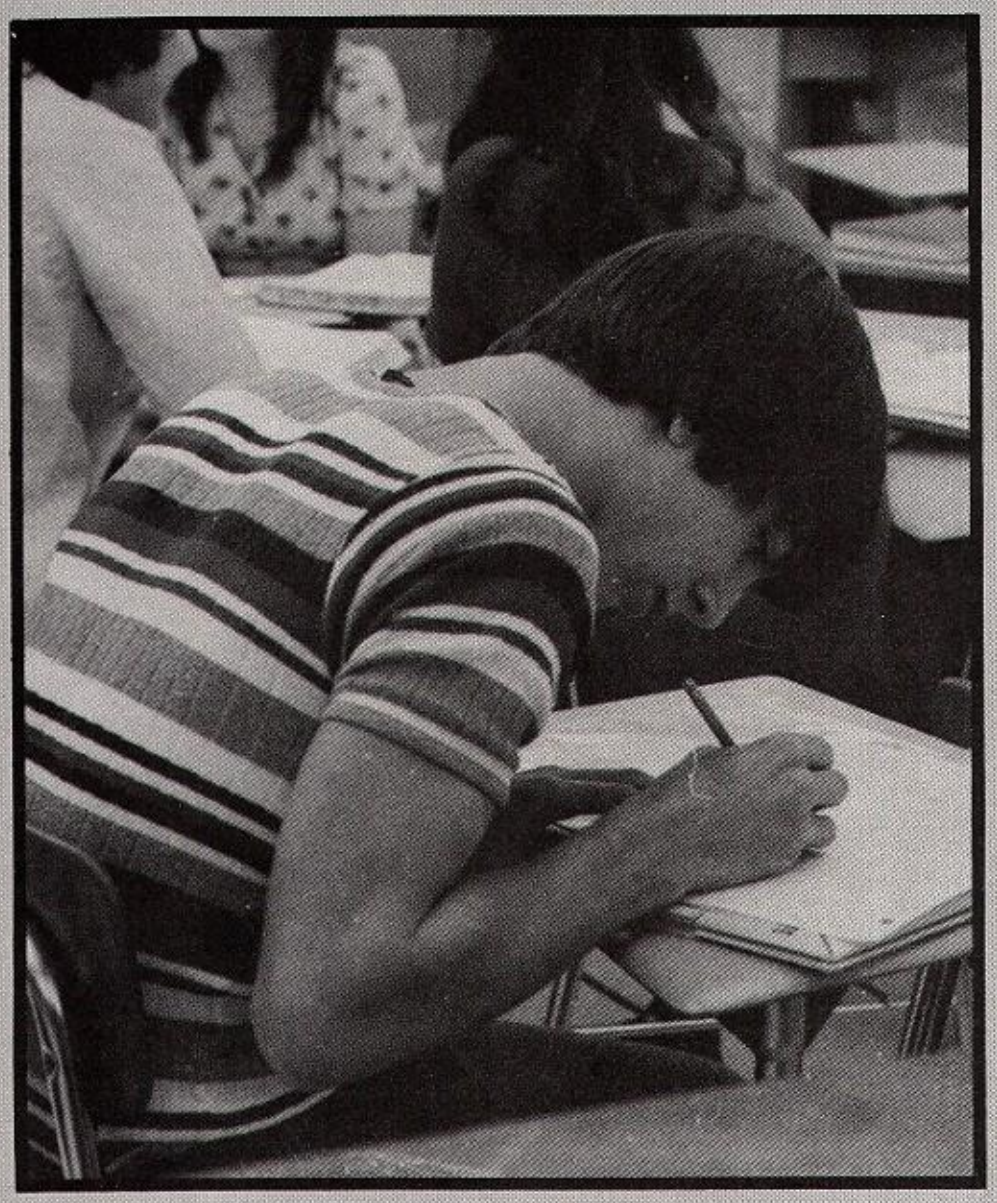
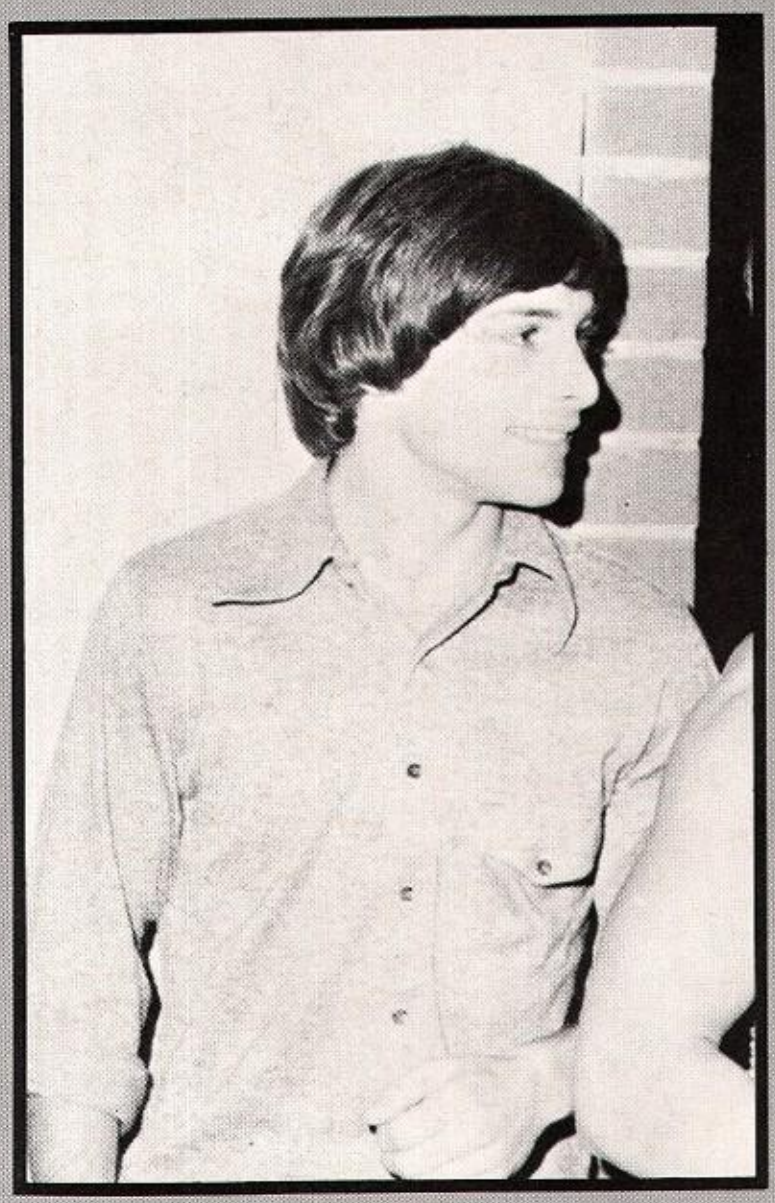
And I have been a clown, with laughter
that bubbled up from fountains of joy.

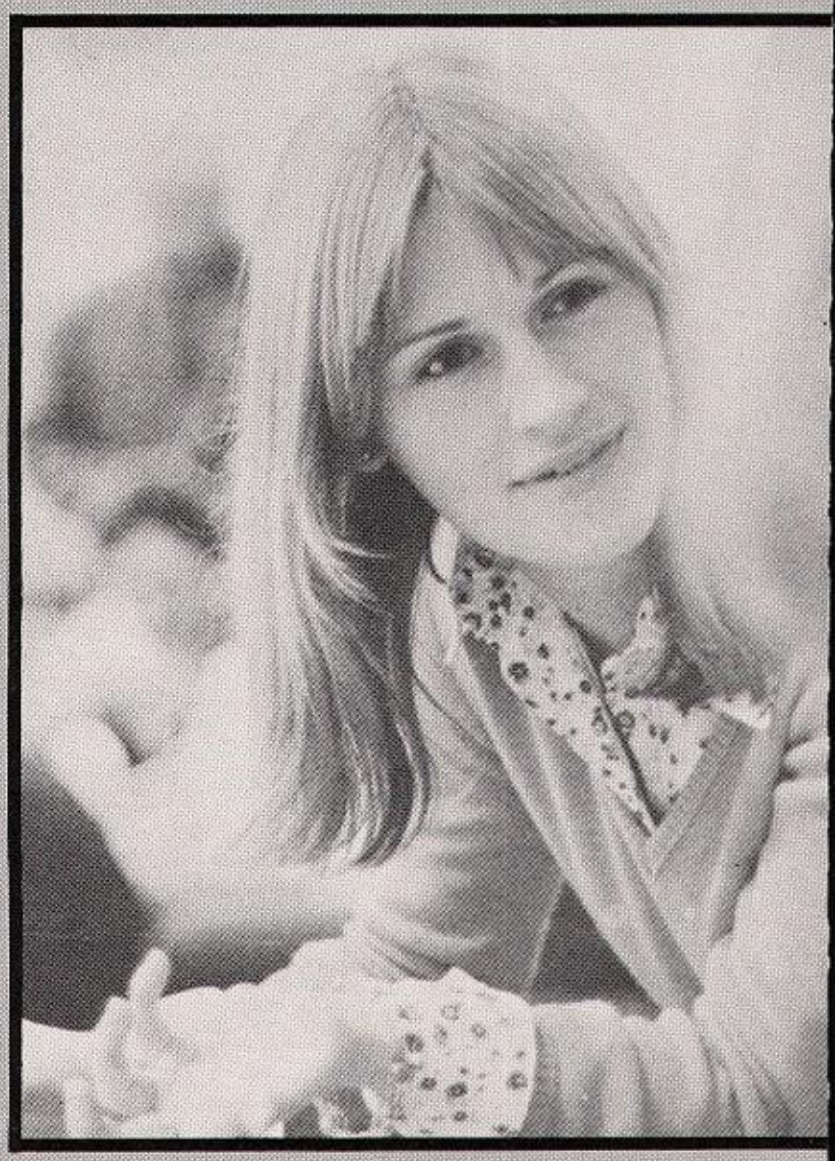
But, through it all,
My life has prospered
from sharing this time with you.

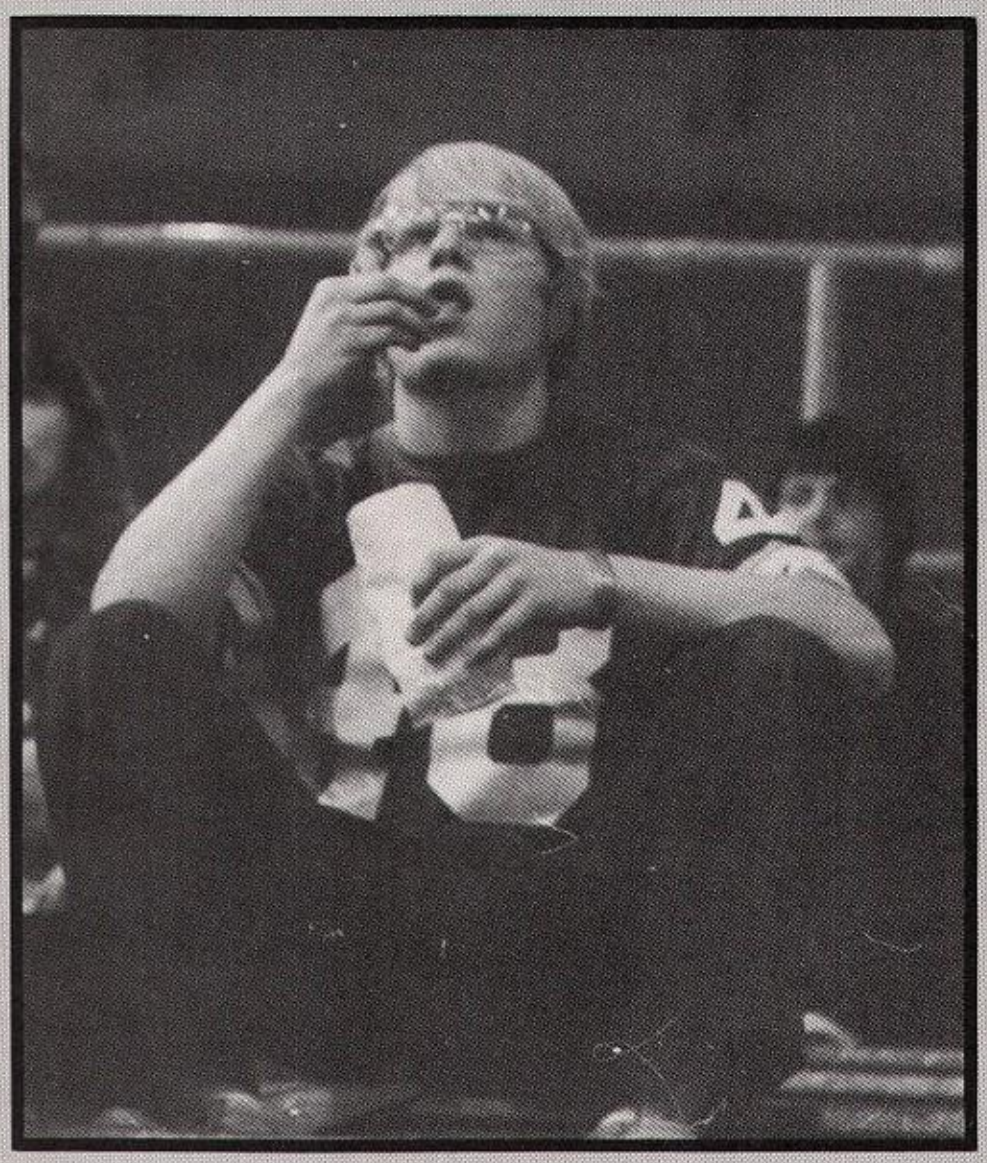
And, many years from now,
We will remember,
How our days together drew to a close . . .

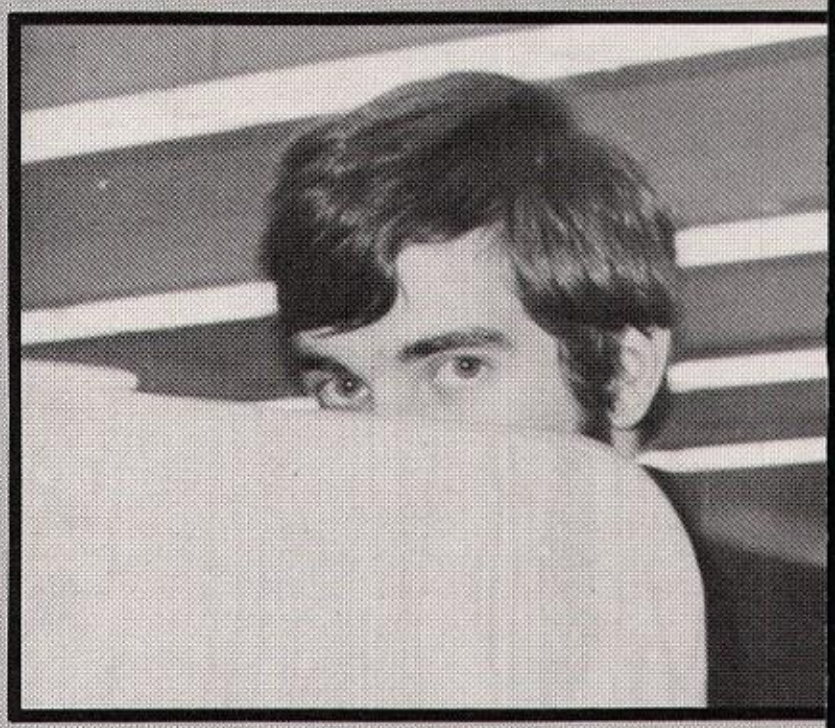


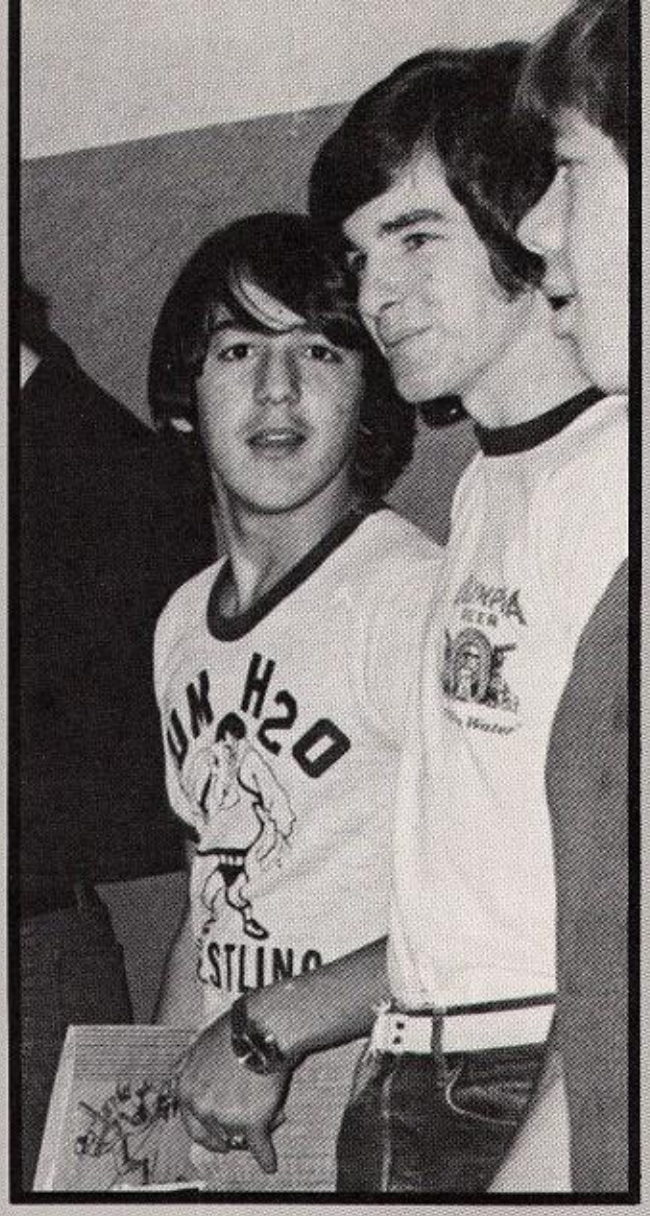


. . . slowly slipping through our fingers
into the less carefree world of adulthood.









Leaving us with only memories,
Of our days together in school . . .

A WRESTLER'S PRAYER

HEAVENLY FATHER,
Thank you for this day and evening.
Thank you for the abilities and health which allow me to be here,
knowing others are not so fortunate.
Thank you for the opportunity to wrestle tonight.
Please give me the strength and courage to wrestle to the best of my abilities.
Teach me humility in winning, remembering myself the bitter sting of defeat.
Give me an understanding heart--one of gratitude--if defeat should come.
Thank you Lord for allowing me to be here--to compete and learn and live in your fine creation!
Finally, please protect us from injury.
In humbleness your blessing I ask.
A WRESTLER

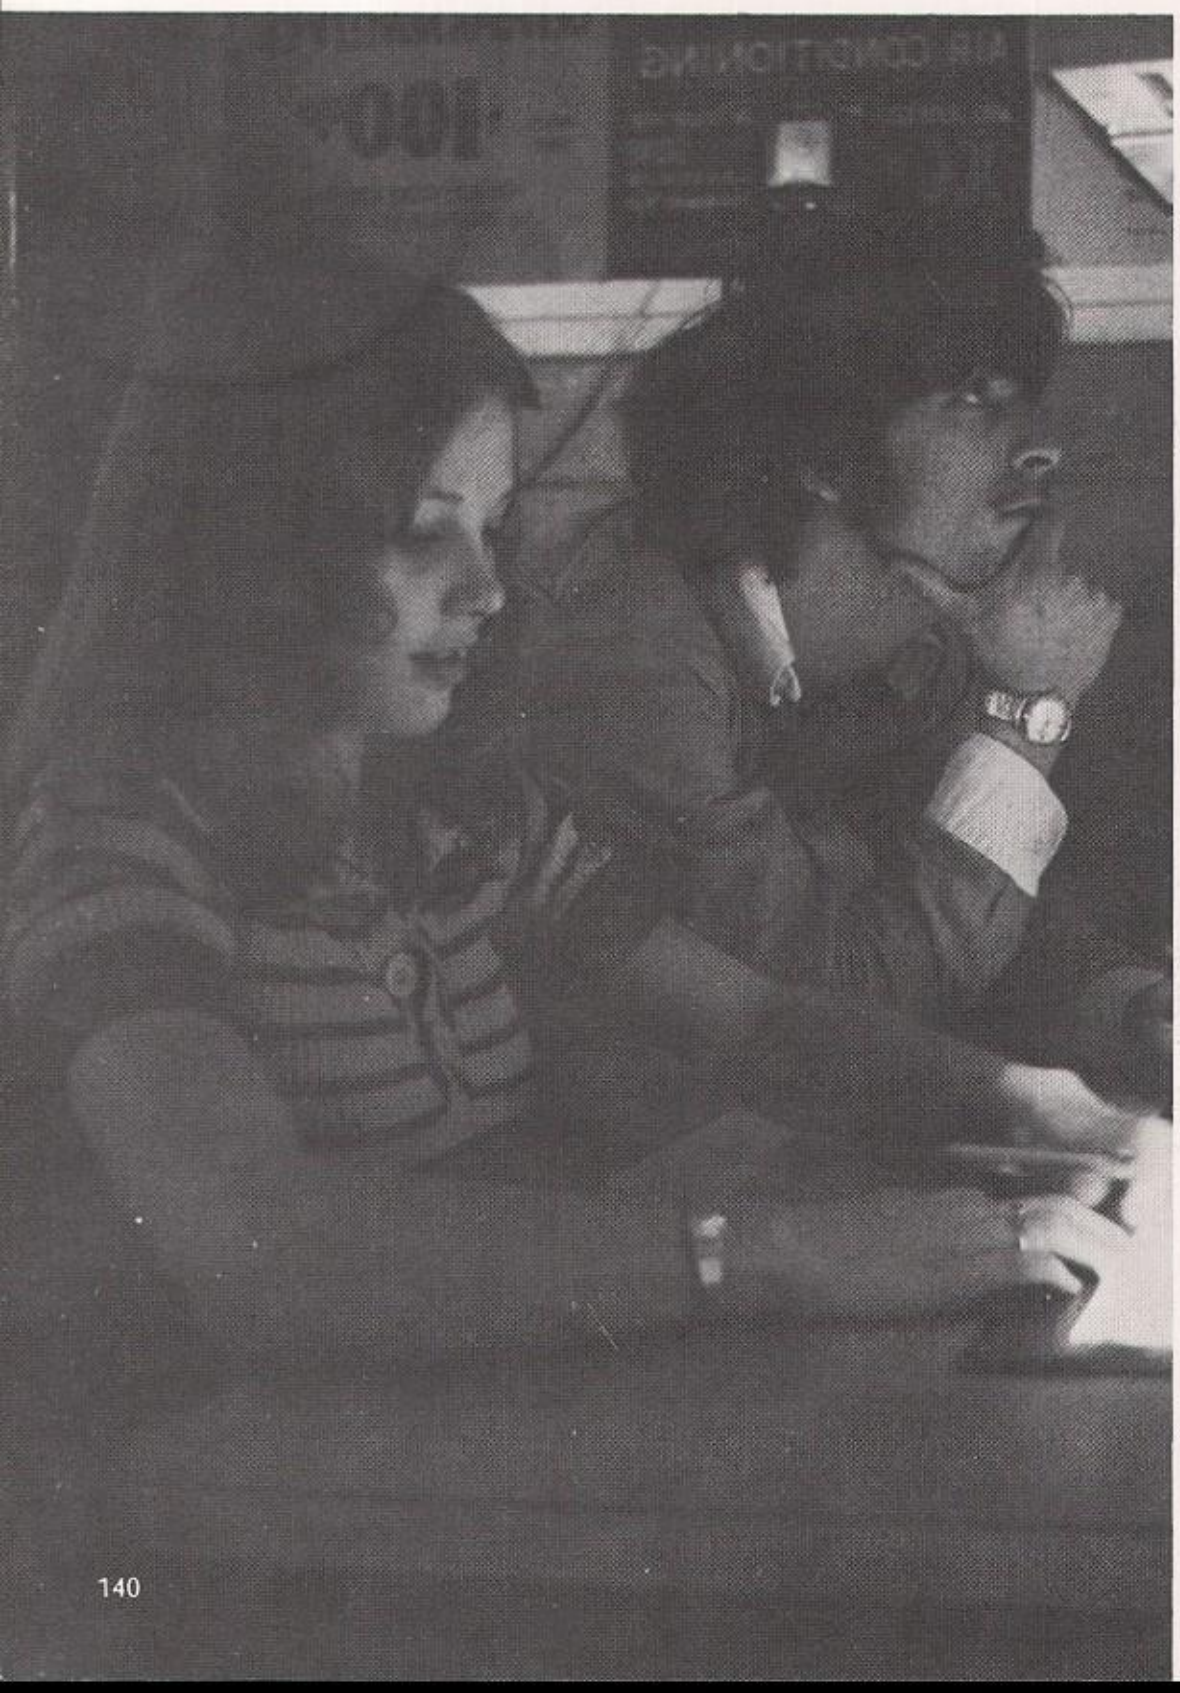
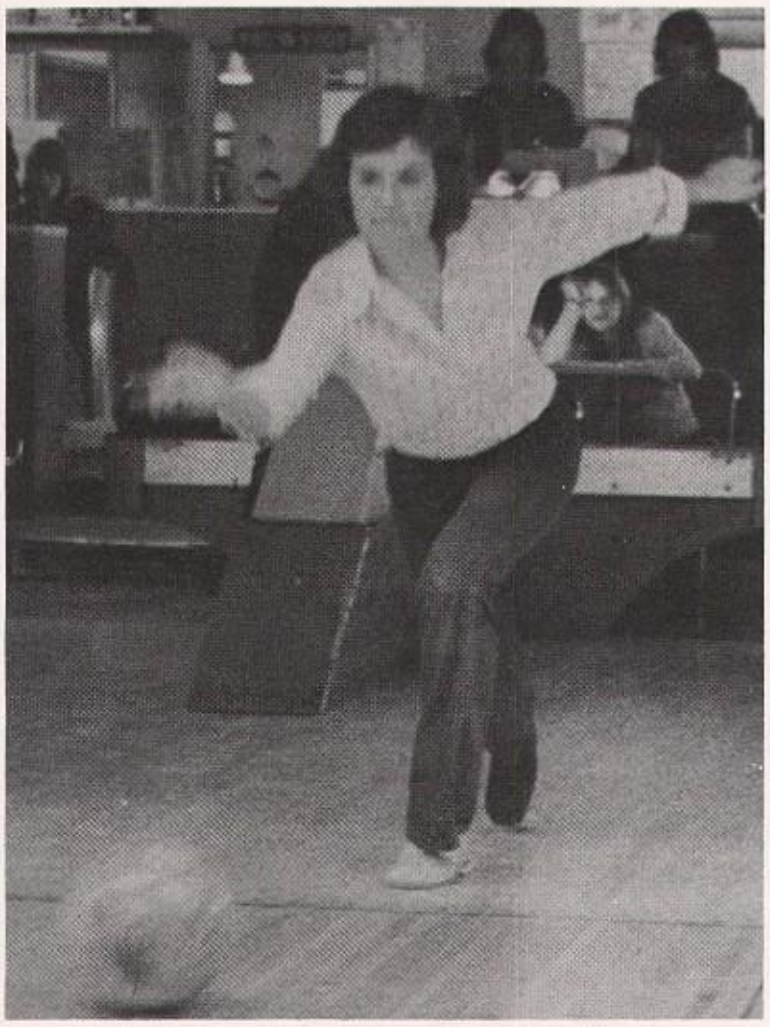
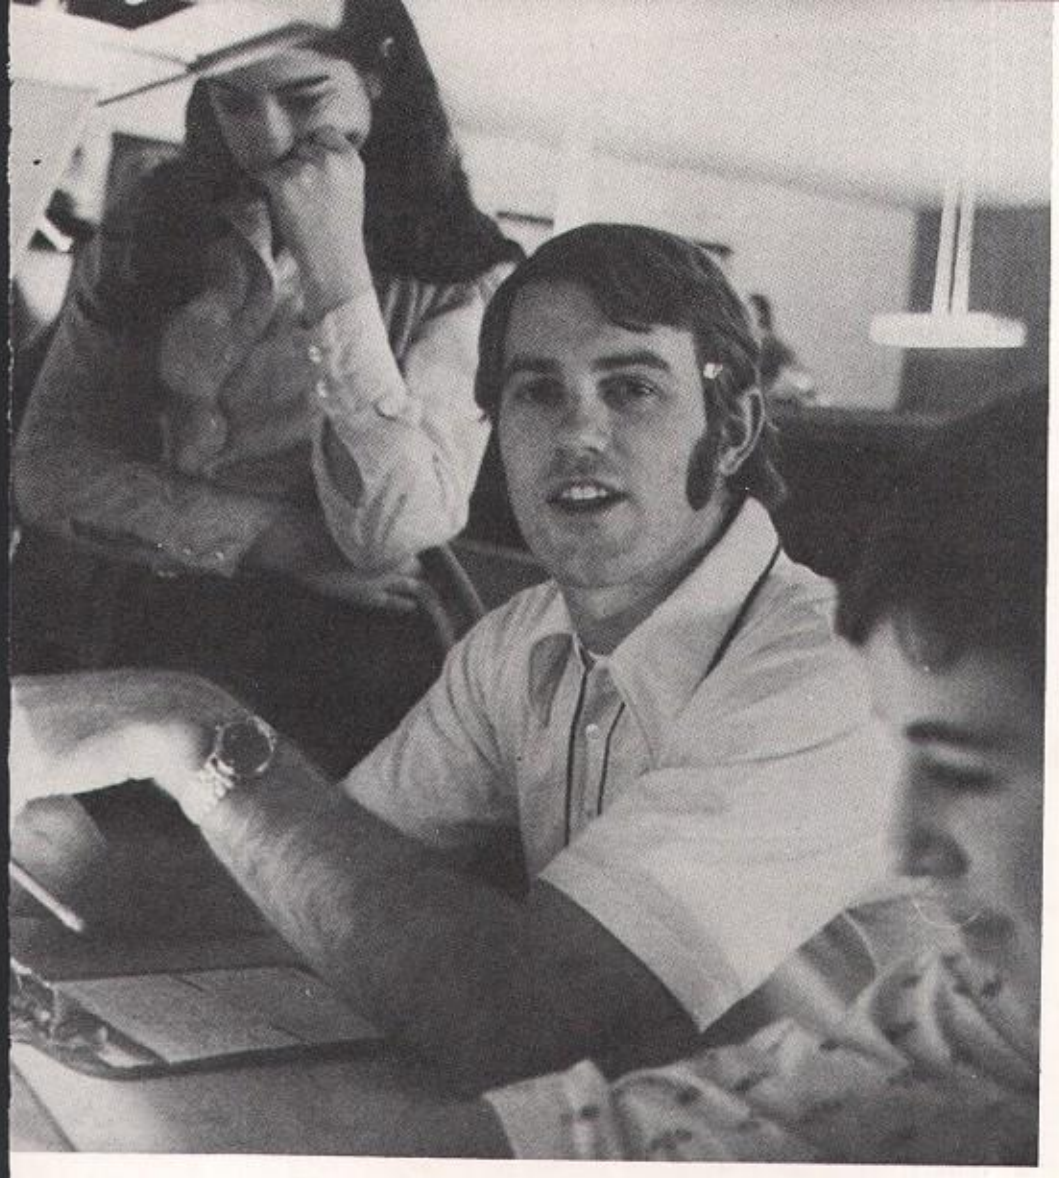
1975 BOWLING





No gutter balls for Wendy!!



The T-Bird bowlers of 1975 got the ball rolling this year with much enthusiasm. Throughout the year, Allen Gassin maintained an average of 185, while Kevin Comstock closely followed. Much effort was put forth by all of our Tumwater bowlers, and their spirits were always held high with victory and defeat.

Tumwater's football team, under new head coach Sid Otton, couldn't quite get it all together this year either. One thing they did get together was their defense but it just wasn't enough and now we can only wait and see what next year will bring.

We come to school to learn about a truth we can meet and witness. And in searching for it, we find a common bond which ties us together with more strength. Our teachers help us to discover these truths through gentle persuasion and guidance, but most of all they teach us to teach ourselves by caring enough to give of their time.
